TECHNICAL SKILLS

- Languages** : C,Python, JavaScript
- Libraries** : ReactJs, Pandas, Matplotlib, Sqlite
- Databases** : MongoDB , MySQL
- Academics** : DSA, OOPS, DBMS, ML Algorithms

EXPERIENCE

Frontend Developer Intern

Feb 2023 – Mar 2023

Oasis Infobyte

Remote

- Crafted and engineered interactive and responsive websites utilizing **HTML, CSS, and JavaScript**

Solved 250+ Problems

Jan 2021 – Present

- Resolved challenges on online coding platforms such as **Leetcode** and **Geek For Geeks**
- Proficient in **Data Structures and Algorithms**

EDUCATION

Pranveer Singh Institute of Technology

Kanpur, Uttar Pradesh, India

Bachelor of Technology in Computer Science (7.2 CGPA)

Nov 2020 – Present

PROJECTS

Sales Insights for Consumer Electronics Business

Python, Power BI, MySQL, Git

- Built a sales insights solution for **AtliQ Hardware** that helped bring data informed decision making in the organization cutting their operation cost by 40k in first 6 months after the launch.
- **Jupyter Notebook** was written in Python that connected with MySQL to get required sales data to perform exploratory data analysis (EDA).
- **Data cleaning and transformation** was done using numpy and pandas. For data visualization Power BI was used.
- This insights solution helped business get answers for common questions such as top 5 customers, top 5 products, sales, and expense trends etc.

ProctoPro

Python, Machine Learning, OpenCV2

[Source Code](#)

- A **Proctoring software solution** conceived to monitor, supervise and prevent unfair practices during online exams.
- Devised and executed an intuitive user interface featuring dynamic elements, facilitating seamless access to accurate scorecards for users.

GulpGateway

MERN Stack

[Source Code](#)

- A **interactive food delivery app** using **MERN** stack, offering various food products from the nearest eateries.
- It empowers users to peruse menus, place orders, and monitor deliveries, fostering a seamless dining experience.
- A system integrating real-time order tracking, secure payment processing, and deadline management capabilities.

CERTIFICATIONS

- [Python\(Basic\) Certificate by HackerRank](#)
- [Problem Solving \(Basic\) Certificate by HackerRank](#)
- [SQL \(Basic\) Certificate by HackerRank](#)
